Student Health Insurance – Now Enrolling!

USF Student Health Services is pleased to announce a partnership with United Healthcare Student Resources for the upcoming academic year featuring a student medical plan with enhanced elements. To review the 2010-2011 USF Student Medical Insurance Plan brochure please visit <http://www.shs.usf.edu/insurance.aspx>.

Enrollment is open for degree-seeking USF students through September 17th, 2010. Domestic students may enroll via paper enrollment form or online at www.uhcsr.com/usf. Students who are mandated to carry health insurance, those supported by their program and Graduate, Research, and Teaching Assistants may enroll online at www.uhcsr.com/usfenrollment. International students should contact the Student Health Services Insurance Office to comply with Florida's health insurance mandate. Coverage is available for eligible dependents, including Spouses, Domestic Partners, and Children by utilizing paper enrollment forms.

For students required to purchase health insurance, the premium will be \$1600 annually. For those who voluntarily elect to purchase a plan, the premium will be \$2534. Annual, semester, and quarterly payment options are available for students voluntarily enrolling, as well as, for all eligible dependents.

Coverage begins 8/18/2010 and includes national provider network, online health resources, prescription benefits, global emergency medical services, wellness benefit, inpatient and outpatient benefits. For additional details please contact the Student Health Services Insurance Office at insurance@shs.usf.edu or (813) 974-5407.
